Eco Workshops 2018 - Kimbriki Eco House & Garden

Composting and Worms

- everything you could possibly want to know about how to successfully run a compost bin and a worm farm

Beginner's Vegie Gardening

- learn a foolproof method of starting a new vegie garden
- learn the difference between organic gardening and toxic chemical gardening
- learn about the connection between healthy gardens and healthy people
- experiential learning – we actually build a new garden together!

Maintaining your Vegie Garden

- learn how to 'fine tune' your garden using mulches, manures, dolomite, and rock dusts
- harvesting and pruning
- taking your garden a 'step further'

An Afternoon in the Garden - Hands on Practice

- seasonal maintenance work in the garden with us and ask your questions

Wicking Beds (self-watering gardens) **NEW**

- an exciting workshop on building and managing self-watering gardens
- build your own small wicking bed at the workshop

Natural Food Preserving (using the excess) **NEW**

- a practical workshop learning different methods of preserving food

Seed Saving, Propagation and Sprouts **NEW**

- creating plants from plants and exploring seed saving techniques

Natural Cleaning (healthy, non-toxic living) **NEW**

- learn practical tips to move away from using chemicals in our homes and communities

Native Bees (learn about and manage them) **NEW**

- learn how to take care of native bees and how to collect the honey they produce

Workshop location

Kimbriki Eco House and Garden, within Kimbriki Resource Recovery Centre

Kimbriki Road, off Mona Vale Road, Ingleside

Enter the Kimbriki site via weighbridge A or B. Follow directional signage to the Eco House & Garden

Visit the Eco Garden

The Eco Garden is open when Kimbriki is open. You are welcome to visit, but the garden may not be staffed. Please leave the garden by 4.30pm as the site gates are locked at 5pm
